

-June, 1979

Convention time is here! Festivities will begin with registration on Thursday, June 14. That evening there will be a planetarium showing at Fernbank. On Friday, June 15, there will be paper sessions and the taking of the group photograph. June 16, Saturday, will see more paper sessions and in the evening we will have our annual Hank Hudson Memorial Banquet. This banquet is the highlight of our year, and we are excited at the prospect of sharing it with the convention delegates.

Since our June meeting is the traditional time for the election of officers, we will hold a short business meeting at 8:00 pm on Friday, June 15, at Bradley Observatory. After this meeting we will join our convention guests for an observing party on the roof of the observatory. The mirror of the 30" is being re-aluminized, so bring along your portable telescopes.

For the months of July and August our meetings will take the form of observing parties. You will be notified of these by either mail or phone.

Many years ago, before our club was founded (in 1947), there was another astronomical organization in Atlanta. It was named The Atlanta Astronomical Society. John Humphries, who was a member of both that society and our club has kindly provided a membership list of the AAS dated January 8, 1927. Two things impress me about this list. First, the list contains 60 names. Since the population of Atlanta was about 200,000 in 1927 it appears that interest in astronomy has declined rather than increased in the Atlanta area. Second, I do not recognize any of the names on this list (other than that of Mr. Humphries). I have been active in astronomy in the Atlanta area for almost thirty years. In that time I have known almost all of the amateur astronomers in Atlanta. Why did all of these people become inactive in a period of only 23 years? Your comments, for future publication in this bulletin, are invited. The list is printed below.

COMPLETE LIST OF MEMBERS OF THE ATLANTA ASTRONOMICAL SOCIETY  
as of January 8th, 1927.

Aldrich, Dr. J.A. 6 Maple Drive, route 131. Hem-0841-J.
