

THE ATLANTA ASTRONOMY CLUB, INC.

October, 1979

MEETING NOTICE:

The October meeting of the Atlanta Astronomy Club, Inc. will be held on the 19th at 8:00 p.m. at Agnes Scott College's Bradley Observatory. The main event will be a presentation by Dr. Mark Christensen of the internationally known slide program, "When A Man Looks Upward." Developed by the Detroit Observational and Astrophotographic Association, this "ode to amateur activism" (in Mark's words) has been enjoyed at conventions, banquets and the like. It is indeed interesting and I urge you all to attend.

Our congratulations to Sally Hudson who, on October 6, 1979, became Mrs. Sally Bartlett. She is a long time member of our club and a wonderful friend to us all. Sally and her husband Harold, a retired dentist, will be spending winter and spring months in Florida and the rest of the year in Maine. If anyone would like to know their addresses, either see me at the meeting or give me a call. (Information courtesy of Mrs. W.F. Barber).

IMPORTANT NOTE: Please send your renewal check and *Sky and Telescope* card to David Speering, 2369 Turners Church Rd., McDonough, Ga., 30253. He will be unable to attend this month's meeting. Regular and family membership is \$15.00, students \$12.00.

During the September meeting, the following club officers were elected:

President	Dr. Eugene Powell
First Vice Pres./Program Chairman	Dr. Mark Christensen
Second Vice Pres./Observing Chairman	Bill Arnold
Recording Secretary	Ann Clark
Corresponding Secretary	Al Beales
Treasurer	David Speering

There will be a meeting and lecture on the 9th of November, 1979 at Georgia Tech concerning the Space Shuttle. Speakers will include Astronaut Deke Slatton and a NASA engineer. Anyone interested please contact the undersigned.

Corresponding Secretary

Al Beales
